

Cycling getaway in Transylvania

5 days / 4 nights

This cycling trip in Transylvania is the perfect opportunity for you to discover the mysterious and spectacular land made famous through Bram Stocker's legend of Dracula. Surrounded by the Carpathian Mountains, Transylvania was the desired land. It is because of its richness that the Saxons arrived here in the 11th century and guarded the Carpathian Mountains passes against the Tatars and the Ottomans. But this is just a tiny portion of its incredibly rich heritage which you'll be discovering during this magical trip. An exceptional adventure is waiting for you!

Nowadays Sibiu impresses with its small streets, picturesque courtyards and the ancient rock stairs which create a most romantic atmosphere.
