

Discover 3 unique Romanian cities

4 days / 3 nights

This journey is a large discovery of 3 Romanian attractions, with different architecture, cultural heritage, and atmospheres. You will cross two historical regions, where the past had provided a different and rich patrimony. In Transylvania, it is the Saxon and Hungarian heritage that will overwhelm us by the presence of the fortified churches and citadels. In Walachia, it is the modernity and the mix of western and eastern civilizations that left their mark on both architecture and lifestyle.

YOUR PROGRAM

Day 1 - Cluj-Sighisoara

Today you leave Cluj-Napoca to explore new regions in Romania. You head for Sighisoara. This 12th-century medieval citadel, known as one of the best preserved in Europe, will give you the feeling of traveling back in time while walking through the narrow cobbled streets. Tailor's tower is a real wonder of the medieval architecture. 3* charming hotel in the center of Sighisoara.

Day 2 - Sighisoara – Brasov

Today you'll visit Brasov: one of the seven cities founded by the Saxons in Transylvania in the 12th century when they were invited to Transylvania to guard the mountain passes. The city has a rich Saxon, Hungarian and Romanian heritage, manifested in a lot of sights worth visiting: The White and the Black Towers, the Black Church, the Council place with the Council House, St. Nicholas Church, the first Romanian school, narrow streets and colored houses, all very well preserved within the old city walls and towers. 3* charming hotel in the center of Brasov.

Day 3 - Brasov - Bucarest

Today we'll leave Brasov for a transfer to Bucharest. Known between the 2 world wars as "the Eastern Paris", today is a very eclectic city, where we can see the influences of The Medieval period with its Ottoman occupation, of the modern period with the influence of neoclassical French architecture and of the communist period. Extra-night possible in Bucharest. 4* hotel in the center of Bucharest.
