Here you will visit the "Communism Victims Memorial" created in the prison where the main opponents of the regime were detained, without a trial. You'll have lunch there and then go to the village of Desesti, to visit one of the most beautiful wooden churches of Maramures. From there we'll do a relaxing walk to our host village for tonight, Breb, the village at the foot of Gutai mountains. (~2 hours, 8 km, +350m, -650). Included: breakfast, lunch, dinner.

#### Day 3 - Maramures by steam train

In the morning the guide your guide will take you to Viseu de Sus village, where you'll ride the narrow-gauge steam train called Mocanita. This railway was constructed in the period 1933-1935. It was partially destroyed by German troops during the war, but was rebuilt afterwards. It has primarily been used for logging, and is still used for this purpose. The small train will take you through breath-taking landscapes, a cool forest that was once a battlefield in WWI and stop at the end of the track for lunch. While eating a delicious meal, you can admire closely the artwork of the steam engine.

Once back down the mountains, you can do a walk between two picturesque villages typical for Maramures. Included: breakfast, lunch, dinner.

## **EQUIPMENT TO TAKE**

Mandatory equipment

- Waterproof tracksuits (breathable Goretex type jacket and possibly trousers)
- Warm fleece jacket
- High walking shoes (preferably already worn)
- Backpack for day hiking (20-35l)
- Water bottle (allow at least 1,5l of water at the beginning of the day)
- Hiking poles
- Power bank
  
- Walking Boots Should be sturdy and of good quality to handle all types of terrain. Ankle support is important. Leather, with a good durable sole, is the most suitable or, for people who prefer a more lightweight boot, Cordura/leather boots which have Gore-Tex or sympatex waterproofing. They should be well broken in and be of correct fit. Proof your boots before you leave home. Waxing your boots regularly prolongs their life.
  
- Lightweight walking shoes/sneakers For wear around towns & villages. They can also be a backup pair for your walk.
  
- Socks & Underwear Take only good quality socks with wicking and insulating qualities. Road test them before you go on the trip to be sure they are comfortable with your boots. Take a suitable quantity of underwear (washing facilities are limited).
  
- Several Shirts and Walking Trousers T-shirts preferably with collar and at least 1 long-sleeved shirt for sun protection. If you sweat a lot it is a good idea to purchase at least one t-shirt in a breathable material. These are fast drying, keep moisture away from your skin and are available from outdoor stores. The quick-drying loose-fitting trousers are popular. You should bring one pair of the loose-fitting type trousers to wear in cities and for evenings etc. Shorts for warmer weather.
  
- Warm jacket Fleece Polartec or warm wool shirt for evenings. This will be worn a great deal; be sure it is totally suitable for your needs. A fleeced jacket which blocks the wind (Windstopper) is the most preferable.
  
- Waterproof Jacket & Pants Must be waterproof, not shower proof, Gore-Tex is best. It must fit comfortably whilst wearing warm clothing and wearing your rucksack. It must have a proper hood, zipper flap and storm cuffs and come down over hips. Pants should have a zip on the side of the leg to make it easier to get them on quickly over boots.

- Lamp (frontal preferably - some guesthouses don't have head lamps)
- Toilet paper or tissues for the day
- Solar cream
- Sun glasses
- Personal pharmacy
