

## Snowshoeing in the Carpathian Mountains

8 days / 7 nights

This Transylvanian Snowshoeing tour will take us in two different regions of the Carpathian Mountains, highly appreciated by tourists from all over the world. The Piatra Craiului and Bucegi Mountains are especially well preserved and offer perfect surroundings for unforgettable hiking. You will understand this as soon as you will see the pure natural beauty and splendor of the landscapes. But what will impress you even more are the tranquil, peaceful rural areas where you will be immersed in a long forgotten traditional world. An unforgettable journey, a surprisingly step back in time.

### YOUR PROGRAM

#### Day 1 - Arrival day

Meeting your guide at 6pm at your hotel in Brasov. Free time for dinner on your own. On request, we can assist you with private or train transfer from Bucharest Airport or any other destination.

Night in Brasov in 3\* central hotel.

#### Day 2 - Traditional villages

Transfer from Brasov to Moieciu de Sus. On the way, we can stop at Bran Castle, a medieval fortress at the border between the once medieval states of Transylvania and Wallachia, and now famous for the Dracula legend.

After this visit, this day has in store for us a splendid winter trekking that will take us across several countryside villages that are still today in absolute harmony with the nature. Amongst them we will have a closer look at the village of Fundatica which is probably best known for its pastoral traditions. Famous for its smoked cheese, this village will give us the opportunity to have a delicious stop when we'll have a meal. Dinner and overnight in a traditional guesthouse at the foot of the Bucegi massif. Breakfast, lunch, dinner. (approx. 3-4h, +/-400m).

### Day 3 - Bucegi Natural Park

Today's walk will take us in the Bucegi Natural Park. We will admire a wonderful and picturesque scenery from the foot of Bucegi' spectacular ridge. This special place will offer us breathtaking views over the King`s Stone Mountains (Piatra Craiului). Night at the same guesthouse as the night before.

Breakfast, lunch, dinner (approx. 5h, +/-650m).

### Day 4 - The King's Rock

Our snowshoeing tour will take us today on one of the most traditional villages of the Carpathians Mountains. Single-trail paths through dark woods pierced by bright meadows will lead us to the National Park of Piatra Craiului. Dinner and overnight in a small, remote village.

Breakfast, lunch, dinner (approx. 5h, +550/-550m)

### Day 5 - Top of the King's Rock

Today we shall carry on in the foothills of the mighty Piatra Craiului, across sometimes inhabited, some other times wild scenery. In clear weather we shall enjoy great views of the Bucegi across the Bran Culoir. In the evening we shall be accommodated in a traditional guesthouse in Magura Village.

Breakfast, lunch, dinner (approx. 6h, +600/-600m)

### Day 6 - Curmatura Hut

A longer walk today will lead us to the cozy alpine hut of Curmatura. After reaching the valley bottom, we shall have a steady climb to a beautiful meadow with opening views over the ridge. From there a beautiful trail in the woods on flat terrain will bring us to Curmatura where a fire and a tasty meal is waiting for us. After that we return to the valley passing through the impressive gorges of Zarnesti. Stone walls high as 200m will impress us while crossing the canyon. In the evening we shall have a transfer to Brasov, a beautiful medieval town, where we will

Breakfast, lunch, dinner (approx. 5h, +550/-750).

### Day 7 - Return to Bucharest

If Magura village is one of the most picturesque, we definitely have to go up on the peak of Magura to take in the views from the top. Astonishing views of the villages and ridges of Bucegi mountains and Piatra Craiului ridge are waiting for us! After lunch at the guesthouse, we shall have a transfer to Bucharest. Dinner not included.

Breakfast, lunch (approx. 3-4h, +/-400m).

### Day 8 - End of the journey

Breakfast at the hotel. End of the trip. Private transfer to the airport after breakfast upon demand.

## EQUIPMENT TO TAKE

Mandatory Equipment:

- Backpack for hiking, large enough to carry all your belongings, including the snowshoes when the snow is not big enough to walk with them. Preferably to attach the snowshoes outside the backpack.
- Base layer: quick drying & warm. Merino wool is ideal, can also be synthetic; avoid cotton.
- Middle layer: warm fleece jacket
- Outer layer: waterproof clothes (breathable Goretex type jacket and possibly pants or dungarees)
- Gaiters
- Excellent thermal socks (ideally wool).
- Hiking shoes, already worn. Preferably treated leather or insulated winter hiking boots.
- Insulated and waterproof gloves
- Hiking poles
- Water bottle & thermos (provide at least 1.5l of water at the start of the day)
- Sun glasses or goggles with protection index 4
- Cutlery and pans for picnic
- Head protection for the windy days (winter hat, ski glasses, a buff / snow-mask or any type of scarf that could cover the face)
- Anti-slip grips / snow spikes (on ice and packed snow or frosted ground when there is not enough snow)

Optional Equipment:

- Lamp (preferably headlamp)
- Toilet paper or handkerchiefs for the day
- Solar cream
- Personal medicines

## IMPORTANT INFORMATION

Depending on the weather conditions, the route may be slightly modified. For smaller groups, some transfers can be made by train.

## SAFETY INSTRUCTIONS

Good equipment is the key to comfort during this tour. Starting with the insulating and waterproof boots that are the most important. Leather hiking boots can work as well, if they are waterproof. Do not forget your wool socks, wool and silk or synthetic socks with absorbent fabric liners that keep your feet warm and dry. Also have gaiters to prevent snow from entering your boots. Finally, avoid wearing cotton socks.
